FROM E D & F MAN:-

Re: mv Hako

Please see below message from bunker broker

quote

- 1), Aegean, Chemoil, HP Consolidated, Atlantic Gulf Bunkering.
(Also checked with local brokers/traders to ensure no physicals missed, this is the entire list)
- 2) Awaiting states opening to make arrangements.
- 3) Aegean, Chemoil, Phillips66, Global, HP Consolidated.
- 4) Discussions took place verbally as out of UK hours on Thursday, Written confirmation sent Friday. There is NO LSFO available
in Charleston by barge, and Vessel does not have truck access for out of port suppliers to truck it in.

Best Regards,
Joe Wallace

HAKO: Non availability of LSFO at Charleston

Flwg from the owners which pls pass to the chrtrs.

qte//

We refer to the below message from the vessel & request charterers
to

provide the below information urgently. This is required to file
the FONAR

in a timely manner.

- 1) Number of Fuel Suppliers Contacted at Charleston
- 2) Plan to Bunker Compliance Fuel Oil at New York
- 3) Number of Fuel Suppliers Contacted at New York
- 4) Proof of correspondence regarding contact with FO suppliers

Await charterers response.

Subject: HAKO: Non availability of LSFO at Charleston

DATE :11-OCT-2014
REF :HAKO/2654/2014

Good day sir,

Ref your emails, request for the following information enable send request

to FONAR regarding non availability of LSFO at Charleston.

a)List and contact information for fuel suppliers contacted - Ask charterer

to provide information on details of FO suppliers contacted at Charleston as

evidence of 'non-availability' and also for details of supplier at New York.

b)Communication with agent on availability / supply of LSFO.

Thanks and best regards
